- . . . open all doors on Sunday morning to reduce the number of surfaces you must touch to enter or leave the building.
- . . . provide hand sanitizer stations and encourage everyone to use them on entering and leaving the building.
- . . . be celebrating communion. Our celebrants use tongs to give the bread and give the cup to each individual by hand.

- . . . We now use paper bulletins, but everything is also on the screen at the front.
- . . . thoroughly clean and disinfect the church, especially high use areas to make sure everyone is safe.
