

Anna Robins
Infant/Toddler Teacher

I am from Gloucester, Virginia. I am 24 years old and I love reading, cooking, and boating. I have three younger sisters: Tess, Gwen, and Leah, with whom I grew up in this church, and two amazing parents, Kim and Jason Robins, to whom I owe the world. I have been working in our church nursery for three and a half years. I love guiding God's children along the way because I know they will be richly blessed, protected, and most importantly, deeply loved. We can love one another because of the way Jesus first loved us. Grace on Main is special to me because it has delivered the Message to me for the last 20 years and has provided me with so many Christian role models and a sound support system of believers.
