

Patti Stinnette
Infant/Toddler Teacher

I'm from a little town in Berwick, Pennsylvania. I moved here in 1982 and met my husband at a restaurant where I worked. We have been married for 38 years now and have three beautiful children--two sons and one daughter, and one beautiful granddaughter who is my world. I love spending time with my family and friends, swimming, and biking. I also enjoy watching TV or reading a good mystery by James Patterson or Wendy Corsi Staub.

I have always loved being around children. I started babysitting when I was 12 years old, and I have worked in the school system and church for many years. I love dressing up in costumes for the children for story time and holidays. Children always have a smile for you, stories to tell, and the best hugs. So, no matter how bad a day you are having, just spend some time with a little one and they will make EVERYTHING all better. Working at Grace on Main has been wonderful. Everyone makes you feel welcome, and we do so many amazing things for the children and everyone in the church.
