Both started working together and expanded the company worldwide for Global Fortune 500 and Fortune 100 firms searching to achieve success of their brands through Motorsport and some of the greatest names in Formula 1. Governments and the European Union recognized them for their successes in economic development promoting international relationships in sports.

Michele and Karl rejoice in the fortunate circumstances leading them to Gloucester, always putting their faith and trust in God and His plan for them and their lives. Last year, Michele and Karl started attending "Grace on Main," later joining as partners. At the beginning of 2022, God obviously called Michele to serve in His church when Grace Covenant Presbyterian Church needed a new treasurer.

Michele enjoys reading about American History and the Founding Fathers of our country, modern Physics, Gardening, and more. She loves to cook and enjoys spoiling her friends with French, Italian, and Spanish food and wine, all hobbies topped by the love for their furry child, a Wheaten Terrier girl named Einin (Gaelic for "Little Bird").
