I don't know about you but I really like it when I can hear Pastor Doug & Pastor Kathryn, I like it when I can hear the choir. I like it when I can hear the worship service from home or while away online. To do this we need someone trained in how our sound system works and who can be here on Sunday mornings! We should not count on only one person always doing it!! Please come join the team. The more help we have the better.

We will train you and thank you.
